

The Mercian Trust

Lettings Policy

Policy Owner	The Mercian Trust
Date Ratified by Trust Board	October 2021
Date to be Reviewed:	October 2022
Date Adopted	October 2021

Introduction

The Mercian Trust wishes to make every reasonable effort to facilitate the use of its premises by the community as a whole. However, the overriding aim of the Trust is to support its constituent Academies in providing the best possible education for their pupils. Any letting of Trust premises will be considered with this in mind.

It is important that requests for lettings are properly documented and assessed. The purpose of this policy is to:

- provide clear guidance on lettings and the hire of Trust premises
- enable safe access to Trust sites and premises
- promote the use of Trust facilities by the wider community
- safeguard the interests of the Trust and the individual Academies within the Trust
- ensure that appropriate safeguarding and child protection policies are in place to keep
- children and vulnerable adults safe
- ensure that lettings are not in conflict with the fundamental purpose of the Trust
- maximize the commercial opportunity for lettings.

Definition of a Letting

A letting may be defined as “any use of the Trust buildings and grounds by parties other than the Trust”.

A letting must not interfere with the activities of the Trust. Use of the premises for activities such as staff meetings, parents’ meetings, Board of the Trust meetings and extracurricular activities of pupils supervised by Trust staff, fall within the corporate life of the Trust. Costs arising from these uses are therefore a legitimate charge against the Trust’s General Annual Grant (GAG) which do not require a letting agreement.

The Trust’s GAG will not be used to subsidise any lettings unless it is of direct benefit for pupils.

However, educationally valuable activities have been and will continue to be dependent on financial contributions in whole or in part from parents/carers. The Trust’s concern is to keep financial contributions to a reasonable minimum, and to ensure as far as possible that all children are able to take part, irrespective of their circumstances. The Trust also recognises where contributions are only permitted on a voluntary basis that parents will be advised accordingly.

Management

Overall responsibility for lettings is held by the Trust. Via the Chief Executive Officer, the Trust Board has responsibility to ensure adherence of the policy. Practical responsibility for the policy is delegated to the individual academy site manager. Regular reports on lettings will be made to the Board of Trustees

Application process

1. Application via School Hire

An individual or organisation should first apply via the online portal used by the Trust www.schoolhire.co.uk.

2. Initial assessment

Upon application, the local site manager will assess and determine if the let can be accommodated. Considerations may be, but are not limited to: -

- Interference with school activities (priority will be given to school function at all times).
- The availability of facilities.
- The availability of staff to open and close the premises.
- Determination of security risk and the availability of staff to provide a continuous security presence or other control measures as necessary.
- Our safeguarding and child protection policy
- Our health and safety policy (including considerations in relation to the number of users, type of activity, qualifications of instructors etc.)
- The appropriateness of the letting and whether it is deemed compatible with the values and ethos of the Trust.

At the point of application the hirer agrees to the terms and conditions as set out on the portal (Appendix 1)

The site lead will determine the use of the hire and will request the hirer to upload the relevant documentation. Documentation could consist of :-

- Public Liability Insurance
- Risk Assessment
- Safeguarding policy (If applicable)
- Valid DBS Check Certificates (if applicable)
- First Aid Certificates (if applicable)
- Lifeguard qualifications (for swimming pool hire)
- Valid Licence (if appropriate)

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background.

4. Confirmation

Upon receipt, the local site lead will assess the documentation.

An applicant will be notified if their application has been unsuccessful or successful via the online portal after documentation review. The Trust's decision is final.

Payment for hire is made online via the school hire portal in advance of the booking unless agreed in advance.

Unless in exceptional circumstances agreed in writing by the site manager/Trust representative, no letting should be regarded as 'booked' until any deposit / pre-payment has been paid and confirmed.

Should the received documentation be incomplete or further clarification is required, the applicant will be contacted and asked to provide that additional information.

Should the received documentation raise any concerns as to the appropriateness of the letting, the applicant will be contacted to be informed of our decision.

Any concerns about whether a particular request for a letting is appropriate may be referred to the Chief Executive Officer who may consult the Board of Trustees.

Charges Whilst the task may be delegated, the Board of Trustees are ultimately responsible for setting charges for a letting on Trust premises which will never be less than full cost recovery.

The Trust reserves the right to require a deposit over and above the hiring charge as a surety against damage to Trust premises (including any equipment) or the premises being left in an unacceptable condition incurring additional cost for the Trust (e.g. cleaning, caretaking).

Block bookings for regular hires will be charged one month in advance using the payment method detailed by the hirer on the School Hire System.

If the premises are not vacated by the end of the hiring period, a penalty charge may be levied.

Insurance Hirer's will be asked to provide evidence that their own Public Liability Insurance is in place to protect them against injury, loss or damage caused to third parties or their property and to indemnify the Trust in the minimum sum of £2 million (they should also produce evidence of their employers' liability cover should this be applicable).

Where a hirer does not have Public Liability Insurance, the relevant school can arrange this by agreement but will only do so where they feel that this is appropriate.

5. Changes

Hirer requests for a change or amendment to an agreed letting needs to be completed via School Hire and will be subject to availability. The requested changes may incur additional charges in line with our charging scheme (See APPENDIX 2) The Trust will give notice of at least 14 days for any changes to the letting.

6. Cancellations

The hirer must advise via the School Hire portal at least 7 days' notice in advance if the booking which has been reserved is no longer required.

The following charges apply to the booking fee where day zero is the date of the let and cancellation notice is given by the hirer:

- With more than 30 days Full refund
- Less than 7 days notice No refund

Regular hirers are assumed to attend as per the frequency agreed and must notify the Trust in advance of any absence / gaps in this frequency. A charge may be levied whether or not

the facility is used unless in exceptional circumstances agreed in writing by the local Site Manager / Trust Representative.

Should the Hirer be in breach of the policy or service level / partnership agreement at any time, the Trust can terminate the agreement immediately and any paid hire fee will not be refunded.

The Trust has the right to withdraw permission for any letting at any time but will endeavour to give as much notice as possible and at least 14 days in advance unless exceptional circumstances dictate otherwise.

On these occasions no reimbursement, other than a refund of the paid hire fee will be made.

Safeguarding

Where governing bodies or proprietors hire or rent out school or college facilities/premises to organisations or individuals (for example to community groups, sports associations, and service providers to run community or extra-curricular activities) they should ensure that appropriate arrangements are in place to keep children safe.

When services or activities are provided by the governing body or proprietor, under the direct supervision or management of their school or college staff, their arrangements for child protection will apply. However, where services or activities are provided separately by another body this is not necessarily the case. The governing body or proprietor should therefore seek assurance that the body concerned has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed); and ensure that there are arrangements in place to liaise with the school or college on these matters where appropriate. The governing body or proprietor should also ensure safeguarding requirements are included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement

Supervision of children

At an event where the majority of attendants are children, the hirer must ensure that a sufficient number of adults are stationed to:

- prevent more children or other persons being admitted;
- control the movement of the children and other persons and ensure they remain within the allocated letting facility;

Health and safety

- There are suitable first-aid arrangements in place;

APPENDIX 2

Schedule of charges

Our current charging details are all found on School Hire.

Our buildings vary from site-to-site so until such time as specific charges are finalised, costs will be determined and assessed on a case-by-case academy basis.

Factors we consider in determining costs include the size of the hall / room, the frequency of the required let and whether the premises are already open at the requested time / date.

As per the Lettings policy, where a hirer does not have Public Liability Insurance, an extra charge will be added for us to arrange insurance on your behalf and depending on the type of let this may be either a flat fee, percentage or calculated as a charge per person.

An excess of £500 will also be payable should a claim be made.
